# MACKO

## Libertarian

For State Representative,  
Ohio House District 17

[www.mackoforliberty.com](http://www.mackoforliberty.com)

### **MACKO'S COMMITMENT:**

I will never vote to increase taxes and fees or to impose new taxes of fees or to diminish the liberties of any innocent man, woman or child. I will always keep my oath to defend the Constitutions of the United States and the state of Ohio.

### **NULLIFICATION:**

I will work to nullify all unconstitutional federal laws, forbid federal officials from enforcing them in Ohio and to sequester federal taxes which don't fund Constitutional purposes.

### **MACKO WANTS TO CUT TAXES TO START ENDING THE DEPRESSION:**

I want to repeal the Ohio state income tax, all local income taxes and property taxes in **two years** and reduce the state sales tax to no more than 3%. I favor repeal of the Ohio minimum wage law and all other laws and regulations which hinder the economy and reduce government spending to that level. I support ratification of the Liberty Amendment to repeal the federal income tax. See <http://www.libertyamendment.com/> Within two years I want to phase out welfare to corporations, unhusbanded mothers, and everyone else. Irrational schemes such as the slow train from Cleveland to Cincinnati should always be rejected. A Kenyan runner could run almost as fast.

**MACKO SUPPORTS AN ARIZONA-STYLE IMMIGRATION LAW TO STOP THE INVASION.**

## **MACKO WANTS TO RESTORE THE RIGHT TO KEEP AND BEAR ARMS:**

There should be no laws to prevent law-abiding Ohioans from bearing weapons, openly or concealed. We need a Vermont style gun law. I want to nullify all federal gun laws.

## **MACKO SUPPORTS THE RIGHT TO LIFE:**

I believe that the proper purpose of government is to protect all innocent life, liberty and property from conception to natural death. I favor nullification of all federal abortion rulings and restoration of pre-1973 Ohio penalties for abortion. See [www.L4L.org](http://www.L4L.org).

## **MACKO RECOMMENDS SEPARATION OF SCHOOL AND STATE:**

See <http://www.schoolandstate.org/home.htm>. It is the responsibility of parents, not the state, to feed, clothe, shelter, **and educate** their children. I want to phase out the "public" (government) schools in three years and restore parental authority, freedom and honest education. I want to end federal and state funding now. Compulsory attendance laws should be ended. Tax money should follow the student until school taxes are repealed.

## **MACKO WANTS TO END THE "DRUG WAR"**

The "Drug War" is a violation of liberty. Adults have a right to use whatever substances they wish. All drug laws should be repealed now and all innocent prisoners should be freed.

## **OTHER LIBERTY AND JUSTICE ISSUES:**

Marriage should be restored as a sacred institution between people and God. The state should guarantee contracts, not meddle. Juries have the right to determine facts and the law in each case. Judges should be required to notify them of their rights. See [www.fija.org](http://www.fija.org). Drivers' and other licenses, license plates and speed limits outside of corporations should be repealed. Laws restricting adult prostitution, adult pornography and gambling should be repealed. All officeholders, police and firemen in Ohio should take the Oath Keepers Oath. [www.oathkeepers.org](http://www.oathkeepers.org). Reestablish honest voting. Reduce ballot access requirements drastically. End campaign finance restrictions. Restore manually counted paper ballots. Start instant runoff voting.
