THIS INSTRUMENT IS FOR INTERNAL PURPOSES ONLY. THE OEA WILL HOLD THIS DOCUMENT CONFIDENTIAL.

YOU HAVE MY PERMISSION TO DISTRIBUTE THIS DOCUMENT, WITHOUT OMISSIONS OR EDITING,

You may provide a brief opening statement with the completed questionnaire at your screening.

Key Educational Issues

1. Describe what you consider to be the three most important issues facing Ohio's public schools and tell why you chose those three issues.

THE "PUBLIC" OR GOVERNMENT SCHOOLS ARE GROSSLY WASTEFUL, THEIR PRODUCT AS A WHOLE, THE EDUCATION OF CHILDREN IS SEVERELY INFERIOR AND THEY PROMOTE IGNORANCE AND SLAVISH SUBMISSION TO GOVERNMENT RATHER THAN KNOWLEDGE AND LIBERTY. FOR THESE REASONS AND THE FACT THAT THEY ARE PROMOTED BY KARL MARX IN THE COMMUNIST MANIFESTO, I FAVOR A GRADUAL PHASEOUT OF GOVERNMENT SCHOOLS, **School Funding and Education Reform** WITHIN THREE YEARS.

2. a) Do you support the Ohio Evidence Based (OEBM) funding model? What do you believe are the advantages and/or weaknesses of the OEBM?

PENDING THE END OF GOVERNMENT SCHOOLS WITHIN THREE YEARS, I SUPPORT ALL NECESSARY LEGISLATION AND CONSTITUTIONAL AMENDMENTS TO END STATE AID AND CONTROL OF GOVERNMENT SCHOOLS, AS LONG AS WE HAVE THEM THEY SHOULD BE CONTROLLED LOCALLY BY PARENTS AND OTHER TAXPAYERS.

b) The main components and supporting elements of the education and funding reforms as contained in House Bill 1 are scheduled to be phased in over at least four biennia. Are you willing to work in a ^{TRIPARTISAN} ~~bipartisan~~ manner to sustain the political commitment to the education and funding reforms over the next eight years?

NO, FOR FURTHER INFORMATION ABOUT MY POSITION, SEE THE ALLIANCE FOR THE SEPARATION OF SCHOOL AND STATE, WWW, SEPSCHOOL.ORG AND WWW, SCHOOLANDSTATE.ORG AND THE WRITINGS OF SAMUEL BLUMENFELD AND JOHN TAYLOR BATTO.

c) What is your position on the education reform package included in House Bill 1 (i.e. class size, professional development, all day kindergarten)? What ideas do you have for further education reform?

I OPPOSE HOUSE BILL 1. PENDING ABOLITION OF GOVERNMENT SCHOOLS I FAVOR REPEAL OF COMPULSORY ATTENDANCE LAWS AND ESTABLISHING THE RIGHT OF TAXPAYERS TO SEND THEIR TAXES TO THE SCHOOL OR HOME SCHOOL OF THEIR CHOICE "PUBLIC" OR PRIVATE. I OPPOSE ALL DAY KINDERGARTENS. CHILDREN ARE IN GOVERNMENT SCHOOLS TOO LONG AS IT IS, AND THE RESULTS HAVE BEEN VERY POOR.

3. Ohio is facing a continuing revenue shortfall. What is your plan for addressing this issue and are you willing to work on a ^{TRIPARTISAN} ~~bipartisan~~ solution?

I AM WILLING TO WORK ON A TRIPARTISAN SOLUTION TO END WELFARE AND STATE EDUCATION SPENDING IN ORDER TO REPEAL STATE AND LOCAL INCOME TAXES AND LOCAL PROPERTY TAXES AND REDUCE THE STATE SALES TAX TO NO MORE THAN THREE PERCENT (3%). WITH THE ECONOMIC BOOM WHICH WOULD RESULT, THERE WOULD BE MORE THAN ENOUGH TAX MONEY TO PROVIDE FOR THE ONLY PROPER FUNCTIONS OF GOVERNMENT, THE PROTECTION OF LIFE, LIBERTY AND PROPERTY. AT THAT POINT, I WOULD CONSIDER FURTHER TAX REDUCTIONS.

4. What would you do to improve higher education funding and increase access to a completion of higher education funding in Ohio?

I FAVOR ABOLITION OF GOVERNMENT COLLEGES. THIS WOULD INCREASE ACCESS TO HIGHER EDUCATION THROUGH REDUCED COSTS. MORE COMPETITION IS ALWAYS THE BEST ANSWER.

5. What is the role of the federal government in seeking to influence education policy at the state level through grants and other financial incentives?

THE FEDERAL CONSTITUTION DOES NOT GIVE THE FEDERAL GOV ANY AUTHORITY OVER EDUCATION, EXCEPT FOR MILITARY ACADEMIES. WE MUST END ALL FEDERAL FUNDING, CONTROL AND OTHER MEDDLING AS SOON AS POSSIBLE.

Retirement Systems

6. Given the recent ^{DEPRESSION} economic downturn, what, if any, changes in retirement benefits for public education employees would you support?

I FAVOR WHATEVER REDUCTIONS ARE NEEDED TO AVOID BANKRUPTCY. I WILL NEVER VOTE TO INCREASE TAXES OR FEES OR TO IMPOSE NEW TAXES OR FEES FOR ANY REASON. PRESENT CONTRACTS SHOULD BE HONORED AND MONEY SHOULD NOT BE TAKEN FROM THE STATE TEACHERS RETIREMENT SYSTEM FOR OTHER PURPOSES. IF OHIO GOES BANKRUPT, ALL BETS ARE OFF.

7. Do you believe the General Assembly should direct or restrict retirement system investments in order to advance public policy goals?

THE GENERAL ASSEMBLY SHOULD MAKE SURE THAT ALL INVESTMENTS ARE SAFE AND EARN AS MUCH AS POSSIBLE. THE ONLY EXCEPTION SHOULD BE THAT WE SHOULD NOT INVEST IN ANY GOVERNMENT WHICH OPPRESSES ITS PEOPLE, INCLUDING THE ZIONIST STATE OF ISRAEL.

Collective Bargaining and Employee Rights

8. Do you support collective bargaining rights for public education employees under ORC section 4117?

I SUPPORT REPEAL OF ORC SECTION 4117. WE NEED TO RETURN TO THE PHILOSOPHY OF LIBERTY.

9. Do you support allowing local school districts to sub-contract with private groups to provide educational or educational support services, such as student transportation or food services? Why or why not?

YES, I SUPPORT CHOICE AND COMPETITION WHICH GENERALLY CAUSES LOWER PRICES AND BENEFITS CONSUMERS.

10. a) Do you support the rights of teachers to evaluation and due process prior to the termination or non-renewal of a teaching contract or revocation of a license?

THIS SHOULD BE DECIDED BY VOLUNTARY CONTRACTS, I FAVOR ABOLITION OF ALL LICENSES INCLUDING FOR DOCTORS, NURSES, LAWYERS, TEACHERS, DRIVERS AND MARRIAGE. LIBERTARIANS OPPOSE THE INITIATION OF FORCE OR FRAUD AS A MEANS OF CAUSING SOCIAL OR GOVERNMENTAL CHANGE.

b) Do you support teacher tenure (continuing contract) rights?

NO.

11. Would you support legislation that would allow for a \$40,000 minimum teacher salary?

NO.

12. What role do you believe student academic performance or value-added data should have in the evaluation or compensation of educators?

THIS QUESTION SHOULD BE DETERMINED BY VOLUNTARY CONTRACTS

Vouchers and Charter Schools

13. Do you support the use of public tax dollars to support vouchers, for-profit charter schools or tuition tax credits to parents who elect to send their children to private schools or home school them? Why or why not?

YES PENDING ABOLITION OF GOVERNMENT SCHOOLS, COMPETITION ALWAYS BENEFITS CONSUMERS. TAXES SHOULD FOLLOW THE STUDENT AS LONG AS LONG AS EDUCATION IS FINANCED BY TAXES.

14. What legislation would you propose to improve the financial and academic accountability of charter schools? Do you support shutting down persistently failing and/or un-auditable charter schools?

NONE, NO. THE FREE MARKET WILL ELIMINATE POORLY RUN BUSINESSES IF IT IS ALLOWED TO FUNCTION WITHOUT MEDDLING BY GOVERNMENT OR GOVERNMENT-SANCTIONED ORGANIZATION.

Additional Issues

15. Do you think it is important to invest in the delivery of public education, vocational, and re-entry services in Ohio's youth and adult correctional facilities?

NO. PEOPLE WHO COMMIT CRIMES SHOULD NOT BE REWARDED, HOWEVER, THEY SHOULD HAVE ACCESS TO PRIVATE EDUCATION BY THE INTERNET AT THEIR OWN EXPENSE,

16. What do you think will be the major issue(s) in your campaign?

1. ENDING THE STATE INCOME TAX, LOCAL PROPERTY TAXES AND REDUCING OTHER TAXES AND ENDING THE MINIMUM WAGE LAW TO HELP END THE DEPRESSION.
2. NULLIFYING FEDERAL LAWS, SUCH AS OBAMACARE, WILL BE CREATING A POLICE STATE.
3. ABOLISHING GOVERNMENT SCHOOLS.
4. OUTLAWING ABORTION IN OHIO, THESE ARE ALL VITALLY IMPORTANT ISSUES AND ARE IN NO PARTICULAR ORDER,

David Macko
