MACKO'S COMMITMENT

I will never vote to violate the Constitution or to deprive any innocent person of his God-given rights or liberties or vote for new or increased taxes, fees or regulations for anyone. I will perform my duty to propose **the impeachment of Barack Hussein Obama** for treason, war crimes, murder, destroying the Constitution and trying to impose a dictatorship on us. Unless it would violate my oath and commitments, I will follow the will of my constituents. If I fail to keep these promises, I will resign.

IMPEACH OBAMA

Veterans For Peace veteransforpeace.org, called for his impeachment in 2011 after Obama conducted an unconstitutional war against Libya. They also accused him and Democrips of being accessories after the fact for not prosecuting Bush and the Rebloodlicans for their lies and war crimes. He aided the alCIAda rebels in Syria and Iraq and helped bring chaos to the Middle East, tried to impose communist Obamacare on the USA, attempted to discredit American gun owners by the murderous "Fast and Furious" scandal, deprived 175,000 veterans of their weapons, and issued numerous unconstitutional executive orders for gun control and Obamacare. He allowed massive and unconstitutional treasonous spying on us by the National Security Agency and other spy agencies. He persecuted the great hero, **Edward Snowden**. Other impeachable scandals include the Solyndra fraud, Infernal Revenue Service persecution, Veterans Administration atrocities, use of the Environmental Protection Agency to destroy the economy and allowing Mexico and other banana republics to invade the United States. Questions regarding his citizenship need to be resolved.
